Extreme caution should be exercised with respect to dissemination of the information herein since, by its nature, it tends to identify NY 694-S, a valuable informant, as the source thereof. Unless this information is obtained from other sources also, it should not be incorporated, even in paraphrased form, in the investigative section of a report.

Enclosed herewith for the Bureau are two Photostats of the original copy of a speech delivered by JAMES E. JACKSON at the November, 1960 meeting of Communist Parties and Worker's Parties in Moscow, Russia. JACKSON, member of the CPUSA National Committee, was one of several CPUSA delegates to the aforesaid meeting.

The original copy of the JACKSON speech was made available to SA [redacted] on 1/3/61, by NY 694-S, who advised that it had been loaned to him by GUS HALL, CPUSA General Secretary. HALL stated that he had not made this document available to anyone else in the Party, and requested that it be returned to him as soon as possible.

In view of the fact that dissemination of this document could jeopardize the security of NY 694-S, a letterhead memorandum is not being submitted herewith.

The JACKSON speech contains an endorsement of the draft declaration submitted for approval at the November, 1960 meeting in Moscow. It further praises KHRUSHCHEV for his alleged efforts in behalf of peace, describes the horrors of nuclear war, and points out that even if victorious in a nuclear war, the forces of socialism would gain nothing. The speech further contains a plea that the Chinese CP abandon its concept of the inevitability of war.

On 1/3/61, NY 694-S advised that he did not know [REDACTED] personally, and that he had no knowledge that [REDACTED] many years ago, had been set up in business by the CP.

According to the informant, during the 1940's, CP functionaries such as [REDACTED] and [REDACTED], who had contacts with unions, mentioned [REDACTED] as having attempted to secure their assistance in selling group insurance policies to unions. The above-mentioned CP functionaries told NY 694-S that [REDACTED] had promised that, in the event he should sell insurance to a union as a result of their assistance, the NY State CP would receive "a kickback" from him. According to NY 694-S, the aforesaid CP functionaries stated that since they regarded [REDACTED] as "a phoney" they had declined to assist him in any way.

NY 694-S advised that he visited EUGENE DENNIS on 1/7/61, shortly after DENNIS had been given an injection of morphine to relieve his pain.

After talking about generalities for some time, DENNIS, referring to WILLIAM Z. FOSTER's leaving for the Soviet Union, said he did not "give a damn" whether FOSTER went or not, but that FOSTER's going would give many people a rest. DENNIS said he was not concerned about how much damage FOSTER could do to the CPUSA and its leaders while he was in Moscow because he was too old and too discredited to influence the Soviets.

DENNIS expressed concern about the preparation of his income tax reports. He said that someone must be found from whom he could have obtained a loan to pay his medical bills.

PEGGY DENNIS, who was present, told NY 694-S, out of hearing of EUGENE DENNIS, that the latter currently is interested in nothing but relief from pain. Few people visit him. Some day PEGGY "will raise hell" with the Party for neglecting her husband and "giving him up for dead" ever since his illness became known.
